In this issue:

- **Change to the collection of Stamp Duty payment on nominal share capital and increases in share capital.**

Companies House is pleased to announce that as from the 1<sup>st</sup> November 2013 the Stamp Duty on nominal share capital and increases in share capital will be payable at Companies House at the time of incorporation or increase, and will no longer be payable at Land Property Services. This has been a long-term aim for Companies House for many years in line with its policy to simplify the process and create efficiency for users, and in line with Companies House initiative for a "One Stop Shop" for company incorporations in Gibraltar.
