

COMPANIES HOUSE | PRESS RELEASE

17th November 2015

European Business Register – Gibraltar Online today

Companies House is pleased to announce that the first European searches through the EBR Common Platform were conducted successfully today. Other European Registries may now obtain basic company information via this platform.

We would like to remind all e-Registry users that the following documents can be filed electronically via our e-Registry platform:

- Notice of any change of Registered Office.
- Return of Particulars of Directors, Managers and Secretaries.
- Annual Return.
- Annual Accounts.

As from the 8th December 2015 users may also submit the following electronic filings:

- Electronic Striking Off Application by a Company.
- Electronic Withdrawal of Striking Off by a Company.
- Electronic Any Resolution
- Electronic Any Special Resolution

The e-Registry has already processed over 1000 electronic filings. A further 850,000 documents are also available for download, including all Annual Accounts filed since it became compulsory to file them in 2001.
