**Proposed
Business Name**

IMPORTANT INFORMATION

REGISTERING A BUSINESS NAME IS DIFFERENT TO REGISTERING A COMPANY. A company, once registered, is a separate legal entity in itself; a business name is simply a name used by individuals or companies to trade under, as an identity.

Every Business Name must submit an Annual Statement of Particulars Form (Annual Return) at least once a year. The fee for lodging an Annual Return in time is £15.00. The lodging of an Annual Return after 30 days from its due date, or a substitution of an Annual Return after the due date for filing, carries a fee £30.00.

The Office of Fair Trading will not grant a Business Licence to any business that operates from a residential Government premises, or from non-Governmental premises under which the terms of the title deeds restrict commercial activities to be carried on from such premises and therefore no Business Name will be registered where it states that it operates from such an address.

It is the responsibility of the applicant to ensure that the address used in their application is suitable and as part of their application they will be required to sign a confirmation to this effect; Therefore, it is crucial that the applicant ensures that the address used in their application for registration of the Business Name is not a residential Government premises.

Together with the completed application form the applicant must submit:

- **Proof of identity of the applicant (if the corporate entity is not incorporated in Gibraltar - a certified copy of the Certificate of Incorporation (or equivalent) and evidence of Good Standing).**
- **Proof of registered office address of the applicant (e.g. a recent utility bill – not more than three months old, recent extract of the Registry where the company is incorporated confirming the Registered Office Address etc.).**
- **Proof of 'right to use' the address where business is stated to be located or trading from (e.g. utility bill, a lease or tenancy/rental agreement or a letter from the persons in control of that address authorising the use of their address for commercial purposes).**
